**Software:** Windows Vista and Mac OS X, Photoshop, Illustrator, InDesign, Premiere, Flash, After Effects, MS Office, Final Cut Pro, Omni Graffle

**Languages:** XHTML, CSS, PHP, JS

## Education and Experience

### Canada's Web Shop (2010 - Present)

**Position:** Web / Graphic / Motion Designer & Client Liaison

Working directly with The Web Shop's clients I design websites, logo identities, motion graphics, and branded marketing materials. I work together on a team of skilled professionals to offer our clients effective solutions to their online marketing needs.

### Freelance Work (2009 - Present)

In my second year of college I began consulting graphic and web design services. I believe freelancing is essential for designers to grow and have a chance to be creative without agency restrictions.

### Registered Red River College Tutor (2008 - 2010)

**Courses:** Front End Web Developing/Scripting (XHTML, CSS, PHP, JS, Action Script 3)

### Red River College - Digital Multimedia Technology (2008 - 2010)

Graduated with a 3.96 GPA

Honors List Award for Digital Multimedia Technology, December 2008

**Courses:** Web Development, Web Scripting, Web Project Planning, Interface and Navigation, Audio & Video Production, Advanced Motion Graphics, Graphic Design, Typography, 3D Animation
